Mr. Adolph Melman,
1073 Fairst Avenue,
New York City.

Dear Sir:

After a careful examination of the 1864 Dollar, which you left with me on December 14th, I am of the opinion that the date has been altered from either 1861 or 1862 and that being the case the Society does not care to make any offer for the coin.

You can obtain it at any time on the surrender of the receipt which I gave you.

Very truly yours,

Direction.
